

# 2011 YEARBOOK

Dear Sports Fans:

For more than 40 years, young athletes have been learning, playing, and coaching the wonderful sport of football in Puerto Rico. The 2011 season promises to be one of the most exciting, with over 600 young football stars, and over 60 coaches competing during the tournament.

The Pee Wee Football League of Puerto Rico, a true non-profit organization, has been the proud promoter of this sport on the Island. Throughout the years, board members, coaches, and volunteers have contributed countless hours of work with no other reward than the thrill of the sport and the satisfaction of the young players and their families. But it takes more than the work of these wonderful people in order to organize and maintain the League. We need the help of fans like you!

Every year we produce a wonderful Yearbook with team photos, and tournament highlights.

This year, the Yearbook will consist of nearly 80 pages of great memories. We are looking into obtaining a new permanent home just for Pee Wee Football in the near future and the funds collected from the yearbook will be destined towards this goal! Be a part of those wonderful moments, help out the League, and gain fantastic exposure by becoming one of our Yearbook sponsors. Whether you have a family member or a friend playing in the League, or simply want to reach a sophisticated, affluent audience with your advertising message, the annual Pee Wee Football League Yearbook is the place to be!

Hundreds of Alumni athletes have turned out to be great community leaders! Let's keep our Pee Wee heritage strong and invest not only in your friends and loved ones but also in the future of our great community!
